i have a million things to tell every one of you

i'm going to just go for it

you guys have grown a lot

like for real, some of you are 18

you all act older though, even though i know some of you are like 9

that's okay though

you guys got through some not so good stuff

i've almost never seen such a tight-knit community of online strangers

you guys, you stick up for each other and you support each other in times of need, it's amazing

also

thank you for existing

you are never a waste of space or time or oxygen or anything

never ever ever ever tell yourself otherwise

ik it's real cheesy but i mean it i really do

thank you guys

thank you for being you

cuz you made me who i am now

and if i ever wronged you

know i truly am sorry for whatever i did

also just so you know this is made bc i'm not going to be joining the remade forum

so uhm

awkward goodbye hugs

you guys are amazing
